Dear Al:

As you will recall, the Office of Foreign Missions of the Department of State commenced operations shortly over one year ago, with half its operating budget provided by the Department of State and half provided by the intelligence community.

It is hereby requested that the Intelligence Community Staff arrange for the transfer of \$1,146,000.00 from the intelligence community to the Department of State as its one-half share of the operating costs of the Office of Foreign Missions for FY-1984.

We are extremely pleased with the progress achieved to date in the implementation of the Foreign Missions Act of 1982. This cooperative interagency effort has clearly proved beneficial to all participating agencies. I would be pleased to brief you on the status of our various programs at your convenience.

Sincerely,

James E. Nolan, Jr.
Director, Office of
Foreign Missions
